THE SAFETY SWITCH INSTANTANEOUSLY SHUTS OFF THE FUEL PUMP FOLLOWING A CRASH... *IT COULD SAVE YOUR LIFE!*

Part # FV7

The Safety Switch is a cost effective solution, reducing the risk of post crash fires caused by pressurized fuel spraying from ruptured fuel lines.

This product is available in an easy to install kit for the aftermarket. The kit is a universal fit for any vehicle with an electric fuel pump. Typical installation time would be less than 30 minutes.

An increasing number of automotive manufacturers worldwide are incorporating this technology as standard equipment on their vehicles.

The list includes: *ASTON MARTIN-LAGONDA • FIAT GROUP • FORD (USA & EUROPE) • HONDA (EUROPE) • JAGUAR • KIA (KOREA) • LOTUS • MAZDA (USA) • ROLLS ROYCE • ROVER GROUP*

INDEPENDENT TEST RESULTS HAVE SHOWN THE FOLLOWING:

VEHICLES TESTED		AVERAGE FUEL SPILLAGE*
With safety switch	(2)	23 ml
Without safety switch	(9)	489 ml

**Measurement taken for a period of 10 seconds.*

In a recent survey, 43% of American consumers considered fuel cut-off systems the most important feature to be developed in new cars.

Countertop Display Available

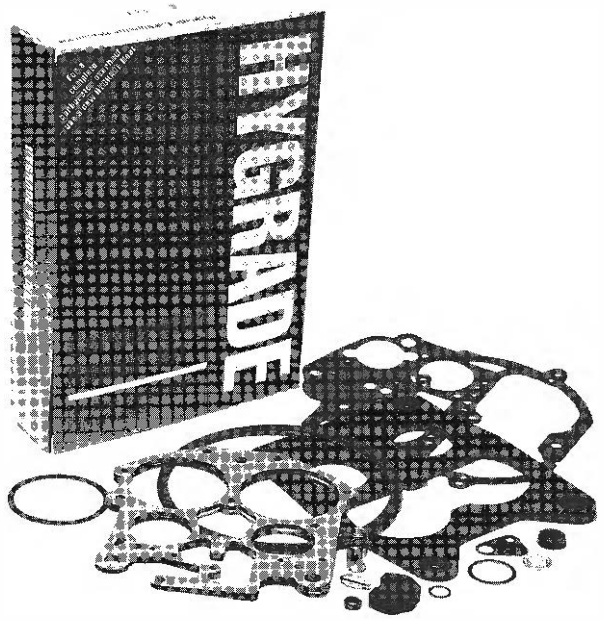
HYGRADE Carburetor Kits
...unequaled for excellence



Why are HYGRADE carburetor kits unequaled? For these five vital reasons:

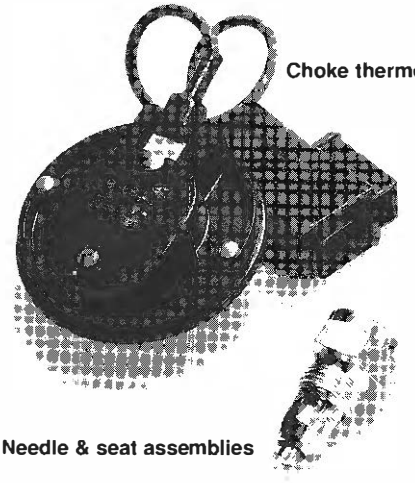
- Top-quality gaskets. When O.E. specifies an encapsulated or beaded gasket, HYGRADE uses the exact O.E. specified material — not a lower-cost compromise
- Our kits are absolutely complete, include all renewable parts. No missing power valves or air cleaner gaskets.
- Intelligent consolidation for more coverage with less investment, and no confusion over the correct part to use.
- Convenient tray-type package keeps all parts together. Gaskets lie flat in box — never bent.
- Clear, accurate instruction sheets include all necessary adjustments and specs.

Premium-quality beaded or encapsulated gaskets, selectively used by O.E., seal tighter with lower clamping pressures, reduce flange deflection and gasket "creep."

HYGRADE also offers these vital carburetor parts:

Also available:

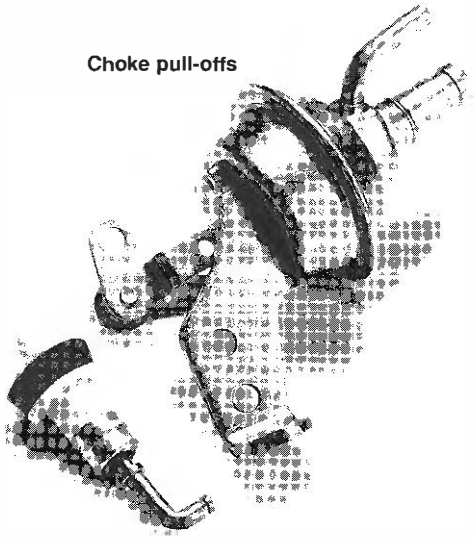
- Diaphragms
- Dashpots
- Floats
- Power valves
- Hardware and small parts assortments
- Service tools



Choke thermostats

Needle & seat assemblies

Choke pull-offs



Accelerator pumps

Looking for dependable replacement ignition parts? Rely on Standard for quality and long-lasting products.
